## Safe and Healthy Nursery

At **Egerton Nursery and Out of School Club** we are committed to providing a workplace which supports and encourages a healthy staff team through staff training, health and safety awareness and supervisions.

### **Dress code**

Staff must follow our dress code at all times. The dress code is detailed in Staff Handbook

### **Staff breaks**

It is the responsibility of the nursery manager to ensure that all staff working six hours or more take a break of 20 minutes, 30 minutes or 60 minutes dependant on hours worked and ensuring that ratios are maintained.

Staff under 18 require a break of 30 minutes in circumstances where they work 4.5 hours a day. All breaks should be taken away from an employee's normal work area (where this is applicable).

### **Personal hygiene**

Staff must follow the personal hygiene code at all times and encourage children to adopt the same good personal hygiene code themselves.

All hands must be washed before handling food, after using the toilet or toileting children, after playing outside, wiping noses, messy play activities and after contact with animals.

After noses have been wiped the tissue must be disposed of hygienically and hands should be washed.

### **Cleaning**

The nursery is committed to providing a safe, happy and healthy environment for children to play, grow and learn. Cleanliness is an essential element of this practice. The nursery will be cleaned daily, and regular checks will be made to the bathrooms. These will be cleaned at least daily (more if necessary, i.e. at lunch time). The nappy changing facility will be cleaned after every use and potties will be cleaned out after every use. Any mess caused throughout the day will be cleaned up as necessary to ensure that a hygienic environment is provided for the children in our care.
