Thank you.

Our home links

Week beginning 5th February - Chinese Zodiac colouring sheet.

Week beginning 12th February - Do something kind challenge.

Week beginning 19th February - Bring in a picture of you in winter clothes

Week beginning 26th February - Outdoor scavenger hunt

Clothing

Please bring a winter coat, hat, and gloves to nursery.

We like to enjoy the outdoor area all year round and to ensure this happens, parents must bring in suitable clothing for their children.

Children are never too young for regular chats about keeping safe online. Many young children are using computers, tablets, and their parent's smart phones. The internet can be a fun and educational tool to explore together but it is important to make informed choices to keep your child safe.

- Set parental controls on your home broadband.
- Remember that children can gain access to the internet through laptops, PCs, tablets, smart phones, and TVs.
- Set passwords on all your internet-enabled devices and make sure that you do not share these with your child.
- Only allow children to access the internet in family areas. This way you can keep an eye on what your child is doing.
- Set the home screen browser to a child friendly site that your child enjoys.

Remember that the internet is an amazing tool that will be a huge part of your child's life. Encourage your child to ask if they are unsure and never talk to people they don't know. Educating your child on how to stay safe online will keep them safe now and in the future.
